

40 Day Prosperity Prayer

Father, reveal the ideas, concepts and nuggets of wisdom that's already hidden within me as I give them the full range of freedom to operate. The limitless freedom that I possess from within is mine for the taking, to ensure that purpose that's within me has the fuel needed to for this journey. I am calling forth my inner wisdom.

The anointing that's within me is on assignment to help me to accomplish that in which I want and desire in my life. I command the fear of the known or unknown to release its grip on my life; therefore, infusing me with Divine Favor that's beyond all human understanding.

The things of old, and the mistakes that I have made in the past doesn't matter anymore—I am moving forward with a clean slate of greatness that will have an impact on generations to come. As I look within myself, I accept total responsibility for my life; while breaking the yolk of all the negative people, places and things. I am embracing spiritual abundance—as above, so below, as within so Without, O'Lord, my strength and my redeemer.

Today, remove any poverty stricken ideologies from my path as I move forward into supernatural abundance, as You bring forth the Genius inside of me. You are the Source to all of my wealth, ideas and concepts. My mind is abounding in Your everlasting greatness as I embrace the love, peace and prosperity that rightfully belongs to me. In Jesus name. Amen.
