

## Ruby Fleurcius

*Ruby Fleurcius* is a business executive, author, professional image coach, speaker, consultant, and a former radio talk show host.

Ruby is the author of *Relationship 911: The Hidden Vessel Within*, *Success 911: The Jesus Award* and *40 Day Prosperity Plan*. As a mentor, leader, success coach and founder of Spiritually Fit, Inc. Ruby is dedicated to creating support groups for those who are in need. Her programs pursue a strategic, spiritual approach, reaching out to the under privileged urban areas with general skills regarding personal success, personal development and professional image.

She's a world-class motivational speaker; she stands before eager audiences pouring out insights and wisdom that challenges their minds! Ruby offers seminars, customized educational programs, workshops and keynotes that are learned from her own life experiences—all focused on mental, physical, spiritual and emotional development. God has and continues to bless her with information, concepts and ideas that are beyond human reasoning; as a result of this, she makes it her business to give this information back to the world, holding nothing back. Her ultimate goal is to illuminate others with hope, productivity, happiness and most of all love.

We offer:  
seminars  
workshops  
coaching  
consulting

## Spiritually Fit, Inc.

Empowering people to succeed

# Presenting

## The Master Plan 360°

We are dedicated to bringing balance to every area of your life

# Our Mission

*Our mission is to change lives—one client at a time, one step at a time, creating a lifestyle that will have the benefits of long-term success. Spiritually Fit, Inc. is a nonprofit organization that provides self-help, education, consulting and training programs in our under privileged communities.*

## The Spiritually Fit Advantage

Develop new relationship and interpersonal skills.

Discover the connections between your personal struggles, and how they are reflected in your relationship to success.

Increase your capacity for intimacy and healthier communication in every area of your life.

Experience a safe environment to risk and explore thoughts and feelings with others.
